

Clear Lam
Engineered Packaging Solutions

New

Consumer Friendly Tamper Evident Packaging

- Eliminates shrink bands.
- Intuitive opening feature.
- Only one sku change. No need to replace tray.
- Available in Renewable Plant Based Ingeo™ Plastics or Recycled PET.
- Easy to reclose.

Clear Lam is focused on delivering solutions that answer the demands of today's consumers. Introducing the new Clear Lam tamper evident packaging technology. Designed to work with existing trays, the new tamper evident tear strips do not affect shelf utilization. Please contact Clear Lam for more information.
